

## TRIMMERS AND ROTARY TRIMMERS MODEL OVERVIEW

# IDEAL 1030/1031

Innovative rotary trimmers  
for A4 and A3 paper sizes

Ergonomically designed safety cutting head with fully enclosed, exchangeable rotary knife from hardened steel. Transparent clamp bar with automatic clamping. Extendable bracket with mm-scale, which can be used as front- or backgauge. Protractor with aligning indicators on clamp bar and cutting table. Two measuring scales and cm-screen on cutting table. Solid construction of impact-resistant plastic material and non-slip rubber feet. Quality "Made in Germany".

IDEAL 1030: For A4 size, Dimensions (H x W x D): 61 x 476 x 201 mm, Weight: 0.7 kg.

IDEAL 1031: For A3 size, Dimensions (H x W x D): 61 x 576 x 201 mm, Weight: 0.9 kg.

For safe and precise cutting: Ergonomically designed safety cutting head with rotary knife made of hardened steel.

This extendable bracket with mm-scale can be used as either a front or a backgauge.

# IDEAL 1133/1142

Attractively designed paper trimmers –  
perfect for trimming digital photos

Laser-cut universal blade and counter blade made from a high-quality special steel with non-stick coating. Transparent clamp bar with finger guard and cutting line indicator for exact alignment of the material to be cut. Two side lays (front and rear) with measuring scales in cm/mm. Backgauge (can be placed either on front or on rear side lays). Format indications from A4 to A6 and common photo sizes printed on the table. Attractive, functional design. Quality "Made in Germany".

IDEAL 1133: For A4 size, Dimensions (H x W x D): 85 x 290 x 570 mm, Weight: 2.5 kg.

IDEAL 1142: For A3 size, Dimensions (H x W x D): 85 x 290 x 660 mm, Weight: 3.0 kg.

For efficient and easy cutting: standard paper formats and common photo sizes are printed on the table.

The cutting line indicator, which is integrated into the clamp bar, allows precise aligning of the paper to be cut.

## IDEAL 1030

Cutting length	330 mm
Cutting capacity*	5-6 sheets
Table size (W x D)	330 x 165 mm

## IDEAL 1031

Cutting length	430 mm
Cutting capacity*	5-6 sheets
Table size (W x D)	430 x 165 mm

## IDEAL 1133

Cutting length	340 mm
Cutting capacity*	up to 15 sheets
Table size (W x D)	250 x 340 mm

## IDEAL 1142

Cutting length	430 mm
Cutting capacity*	up to 15 sheets
Table size (W x D)	250 x 430 mm

\* paper 70 g/m<sup>2</sup>

# IDEAL 1134/1135/1046

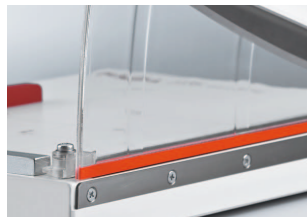

Attractively designed, innovative office trimmers with "Solingen steel" blades

Large cutting table with solid all-metal construction. Resharpenable, high-quality blade set made of "Solingen steel". Strong blade mounting bracket. Transparent safety guard with integrated cutting line indicator for exact alignment of the material to be cut. Precision metal side lay and adjustable backgauge. Measuring scale in mm/inches. DIN format indications, American paper sizes and various angle indications printed on the table. Non-skid rubber feet for safe operation. Attractive, functional design. Quality "Made in Germany". IDEAL 1134: with manual clamp bar. IDEAL 1135 and 1046: with automatic clamp for precise and convenient cutting. EASY\_LIFT – the innovative release lever lifts the automatic clamp for easy removal of the paper. Solid cast aluminium blade mounting bracket with double pivot bearings for blade axle.

IDEAL 1134: Dimensions (H x W x D): 310 x 340 x 570 mm, Weight: 4.0 kg. IDEAL 1135: Dimensions (H x W x D): 325 x 340 x 585 mm, Weight: 4.5 kg. IDEAL 1046: Dimensions (H x W x D): 385 x 390 x 700 mm, Weight: 7.5 kg.

The ergonomically designed handle has been developed for ease of operation and safe cutting.

The cutting line indicator, which is integrated into the clamp bar, allows precise aligning of the paper to be cut.

EASY\_LIFT guarantees an easy and convenient removal of the paper from the cutting table by lifting the automatic clamp after the executed cut.

## IDEAL 1134

Cutting length	350 mm
Cutting capacity*	up to 25 sheets
Table size (W x D)	304 x 385 mm

\* paper 70 g/m<sup>2</sup>

## IDEAL 1135

Cutting length	350 mm
Cutting capacity*	up to 25 sheets
Table size (W x D)	304 x 385 mm

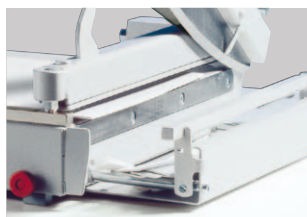

## IDEAL 1046

Cutting length	460 mm (A3+)
Cutting capacity*	up to 30 sheets
Table size (W x D)	356 x 510 mm

# IDEAL 1038/1058/1071

Professional trimmers with high cutting capacity and maximum features suitable for cutting paper, carton, plastic or metal foils and other materials

Resharpenable, high-quality blade set made of "Solingen steel". Solid manual clamp for variable pressure. Precision side lay with measuring scale (mm/inches) and adjustable backgauge. Lockable front gauge with integrated narrow strip cutting device for cutting of strips as small as one mm. The front gauge is adjustable via a calibrated rotary knob. Fold-away paper supports on front gauge. Standard paper sizes indicated on the cutting table. Transparent safety guard made from unbreakable plastic material (IDEAL 1038 and 1058: with automatic safety guard, which rises and falls with the movement of the blade; IDEAL 1071: with stationary safety guard). Solid cast aluminium blade mounting bracket with double pivot bearings for blade axle. Solid all-metal construction. Quality "Made in Germany". IDEAL 1038: Dimensions (H x W x D): 260 x 410 x 575 mm, Weight: 9.0 kg. IDEAL 1058: Dimensions (H x W x D): 260 x 410 x 790 mm, Weight: 14.0 kg. IDEAL 1071: Dimensions (H x W x D): 520 x 570 x 980 mm, Weight: 23.0 kg.

The front gauge with integrated narrow strip cutting device is positioned via a calibrated rotary knob.

Fold-away paper supports on the front gauge allow precise aligning of the paper for exact cuts.

## IDEAL 1038

Cutting length	385 mm
Cutting capacity*	up to 50 sheets
Table size (W x D)	356 x 403 mm

\* paper 70 g/m<sup>2</sup>

## IDEAL 1058

Cutting length	580 mm
Cutting capacity*	up to 40 sheets
Table size (W x D)	356 x 604 mm

## IDEAL 1071

Cutting length	710 mm
Cutting capacity*	up to 40 sheets
Table size (W x D)	506 x 765 mm

# IDEAL 1080/1110

Large format professional trimmers, complete with stand – two cutting lengths

Resharpenable, obtuse angled (75°) blade made of "Solingen steel". Cuts paper, cardboard, plastic or metal foils, thin sheet metal, rubber mats, carpet tiles, and many other materials. Standard equipment includes a sturdy stand and foot pedal clamping. Collapsible extension table (on the right side). Side lay with measuring scale in mm/inches. Backgauge and front gauge (the latter with integrated narrow strip cutting device for cutting of strips as small as one mm). The front gauge is adjustable via a rotary knob with fine adjustment scale. Standard paper sizes indicated on the table. Stationary blade guard made from transparent, unbreakable plastic material and blade locking device. Solid cast aluminium blade mounting bracket and sturdy blade axle with double bearing for precise cuts. Solid metal construction. Quality "Made in Germany". IDEAL 1080: Dimensions (H x W x D): 1215 x 670/890<sup>1</sup> x 1080 mm, Weight: 55.0 kg. IDEAL 1110: Dimensions (H x W x D): 1360 x 830/1060<sup>1</sup> x 1390 mm, Weight: 60.0 kg.

Practical: A fold-away extension table supports the material to be cut and is especially useful in combination with the adjustable front gauge.

The most effective foot pedal clamping system of these models is integrated into the stand.

**IDEAL 1080**

**IDEAL 1110**

Cutting length	800 mm
Cutting capacity	20 sheets*/up to 4 mm
Table size (W x D)	605 x 800 mm

Cutting length	1100 mm
Cutting capacity	20 sheets*/up to 4 mm
Table size (W x D)	760 x 1100 mm

# IDEAL 0135/0155

Large format rotary trimmers – complete with solid stand

Two large format manual rotary trimmers with professional features. Slotted side brackets for cutting oversized formats (unlimited cutting length). Suitable for cutting and trimming of blueprints, drawings, plans, photos, posters or similar large format digital printouts on paper and foils. Smooth running safety cutting head with self sharpening rotary blade made from special hardened steel. Counter blade made of stainless knife steel. Automatic clamping system with transparent clamp bar. Practical collection tray for trimmings. Complete with sturdy metal stand. Convenient paper roll holder available as an option (at an extra cost).

IDEAL 0135: Dimensions (H x W x D): 940 x 1540 x 480 mm, Weight: 32.0 kg.

IDEAL 0155: Dimensions (H x W x D) 940 x 1740 x 480 mm, Weight: 35.0 kg.

As an option, the rotary trimmers IDEAL 0135 and IDEAL 0155 can be supplied with a convenient paper roll holder at an extra cost.

Safety cutting head with self sharpening rotary blade for efficient, precise and safe cutting.

**IDEAL 0135**

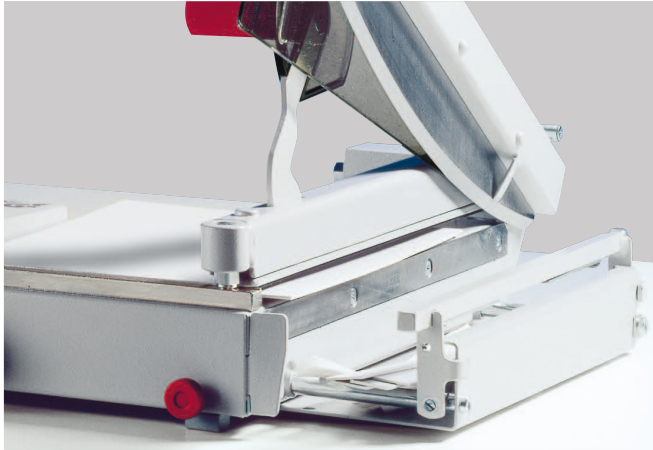

**IDEAL 0155**

Cutting length	1350 mm
Cutting capacity	up to 0.8 mm
Table size (W x D)	1350 x 295 mm

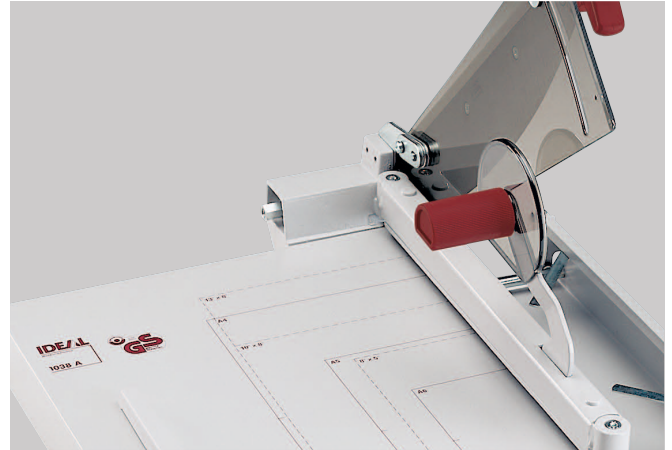

Cutting length	1550 mm
Cutting capacity	up to 0.8 mm
Table size (W x D)	1550 x 295 mm

# Quality Made by IDEAL in Balingen

For 60 years IDEAL trimmers have maintained an excellent reputation for accurate cuts, durable design and a long service life. Millions of satisfied customers all over the world rely on the high quality and safety standards of these brand name products "Made in Germany".

Exact gauges for precise cuts: The front gauge with integrated narrow strip cutting device is positioned via a calibrated rotary knob and can be locked in the preselected position.

The automatic safety guard allows an unobstructed visual check of the entire cutting line and covers the blade in every position for safe cutting.

Innovative feature: EASY\_LIFT guarantees an easy and convenient removal of the paper from the cutting table by lifting the automatic clamp after the executed cut.

The red cutting line indicator, which is integrated into the safety guard, guarantees a precise aligning of the paper to be cut.
